

OPEN STUDIO SESSION I : September 8 - November 23, 2008

Open Studio is available to students currently enrolled in courses at the Craft Center (and only in the studio in which their class takes place) -- no guests or children are allowed. Please note that occasional weekends there will be no Open Studio because Craft Center facilities are used for other programs. These dates will be posted. Sign up as you enter the studio on the clipboard posted outside each studio door.

PLEASE NOTE: The Gallery Store closes at 7:30, and the front end of the building and the atrium door are locked at that time.
